there are no visual media - media art history - 19 there are no visual media w. j. t. mitchell
is a colloquial expression used to designate things like tv, movies, photography, painting, and so on.
germinal - bottomless studio - introduction by havelock ellis
'germinal' was published in 1885, after occupying zola during the previous year. in accordance with his usual custom--but to a greater extent than with any other of his books except la d'f'cle--
